

# **SUPPORT ROCKVILLE HIGH SCHOOL BOOSTER CLUB**

**Rockville High School's Booster Club mission is to advance the role extracurricular activities play in the development and well-being of our students. Our goals are to promote our students' academic and extracurricular success, display a positive image of Rockville High School, and to provide a safe place for parents, school staff and students to support the school's activities. We support school-sponsored teams, clubs, and organizations by conducting fundraising activities.**

**By being a RHS Booster Sponsor you are supporting our mission. Your sponsorship gives you advertising access to the families of Rockville, supports the success of students and helps provide a well rounded school environment. All sponsorship dollars are tax deductible and Booster provides your selected banner.**
